IGSA Authorities

10 U.S. Code § 2679:

- (1) *Notwithstanding any other provision of law governing the award of Federal Government contracts for goods and services, the Secretary concerned **may enter into an intergovernmental support agreement, on a sole source basis, with a State or local government to provide, receive, or share installation-support services** if the Secretary determines that the agreement will serve the best interests of the department by enhancing mission effectiveness or creating efficiencies or economies of scale, including by reducing costs.*
- (2) *An intergovernmental support agreement under paragraph (1)—
(A) may be for a term not to exceed ten years; and
(B) may use, for installation-support services provided by a State or local government, wage grades normally paid by that State or local government.*
- (3) *An intergovernmental support agreement under paragraph (1) may only be used when the Secretary concerned or the State or local government, as the case may be, providing the installation-support services already provides such services for its own use.*
- (4) *Any contract for the provision of installation-support services awarded by the Federal Government or a State or local government pursuant to an intergovernmental support agreement provided in subsection (a) **shall be awarded on a competitive basis.***
